*• Growth • Carcase • Maternal*

### Remarks:

This is a rare opportunity to purchase an outstanding son from one of Christie's top Donor Cow families "Archer U1". "E350" is a free moving deep bodied son of TC Rito 416 with superb temperament and balanced EBVs. "E350" would be an asset to any Stud herd as an Outcross Sire, his 1/2 brother D315 was sold for \$15,000 at our 2010 Bull sale.

Black Diamond Archer U1 is a daughter of the famous C170 family and we are offering an elite package of 5 embryos sired by HF Kodiak 5R as Lot 69.

### Show Results:

- Reserve Junior Champion Angus Bull 2011 Sydney Royal Easter Show
- 2nd Bull 19 to 20 months 2011 Sydney Royal Easter Show
- 1st Bull 9 to 12 months 2010 Brisbane RNA Royal

**Remarks:**

"E249" is a son of the famous New Frontier 095 who continues to be one of the most consistent sires used in the PC breeding program. His dam "X64" is one of our top breeding cows that always perform in producing many show champions and top price sale bulls. His dam "X64" will have on offer an elite package of 5 embryos sired by HF Kodiak as Lot 67.

His 1/2 sister "C176" is also offering an elite package of embryos sired by HF Kodiak as Lot 66 this cow has had a successful show career before retiring as a donor cow.

"E249" would compliment any Stud or Commercial breeding program because of his carcass attributes.

Acc	76%	41%	65%	66%	63%		53%					

Sale Day Actual Data - Supplied on Supplementary Sheet						
EMA sq cm	Rump Fat	Rib Fat	IMF %	Sale Day Weight (kgs)	Muscle Score	SS cm
					B-	44

"E219" is in the Breed's:

• TOP 15% for BWT

\$ Index Values			
LF/CAAB	HG Fed Str	SF Domestic	Terminal
\$46	\$41	\$38	\$38

• *Calving Ease*

**Remarks:**

"E219" is a moderate grandson of Dulverton Vanilla V049. We purchased Vanilla from Greg & Sally Chappell in 2004 when he was the trait leader for 200, 400 and 600 Day growth. Vanilla himself consistently produced top performing sons at PC and Dulverton.

"E219" is a heavily muscled, low birth weight young sire that shows tremendous carcass attributes. He is an ideal heifer bull that would produce progeny for the domestic market.
